.....
Creating Memories Since 1982

Hello! Ladies and Gentlemen, it has been awhile since I have updated this newsletter and I figured it is about time.

Well a lot has happened over the winter months. Our Sinatra vocalist Big Al Estrada has been making his comeback. He wowed the crowd at the Mayor of Blue Island's annual St. Patrick's Day dinner dance. We are always striving to improve our service. We recently purchased a new sound system that makes to help ease the burden of carrying extra equipment. The system, Mackie SRM 450 and our subwoofer SWA 1501 lets you hear the music crystal clear. Also we have been running our Game Show system at a couple of venues. The venues we have been at is Beggars Pizza in Blue Island and in Oak Forest. We are also at Jack Desmonds in Chicago Ridge. Who would have thought by testing your knowledge and winning prizes would be so much fun!

One of our very best has decided to tie the knot. Our dj Shane will marry his long time girlfriend Kristine. We will all be standing up in his wedding. Its about time Shane!! We also would like to update our most requested First Dance Songs. Just a reminder, we still have some open dates for this summer. Give us a call; we will be able to fill your dj needs.

Did you know?

More often than not the songs brides and grooms do not want to hear at their weddings are often the most requested, most remembered and the biggest floor fillers of the evening.
